Dear Hiring Manager,

I am writing to express my way interest in the Data Analyst position in your organization. As a recent Engineering graduate in Mechanical Department from the Jaya Engineering College, Anna University. I am eager to express my skills and knowledge to contribute to success to your Organization.

During my academic experience, I have gained a solid foundation in statistics, Data analysis and analyzing tools like Python, SQL, Tableau and Excel. Additionally, I have completed several projects that required me to apply these skills to real-world problems. For instance I worked on a project where I analyzed data and created a easily understandable visualizations.

Moreover, I have also developed excellent communication and collaboration skills through these projects and presentations. As a data analyst, I understand the importance of effective communication to ensure that data-driven decisions are made based on accurate and relevant insights.

I am excited about the opportunity to join in your organization and contribute to your data analytics initiatives. Thank you for considering my application. I look forward to the opportunity to discuss my qualification further.

Sincerely,

Gowri Shankar
